TAURUS® PRODUCT CATALOG

You didn't get here overnight.

You worked hard to make an impact, to move up, to stand out.

But hard work alone wasn't enough. Instead of waiting for opportunities, you sought them out. Rather than maintaining the status quo, you rose above. You patiently put in the time, and success has followed. Now that you've arrived, it's time to reward yourself. Time to match your choice of firearm to your lifestyle. Time to own something that's truly as unique as you are.

It's time for Taurus® Executive Grade.

Congratulations. You've been promoted.

Hunting ...

It's what we know. It's what we do. It's who we are.

We're explorers. We're adventure seekers. We're those who pursue the experiences that take us to the source of life itself. We're at home in the woods and restless in modern society. We're passionate about our craft and driven to improve it. We know what works and what doesn't. So, we customize. We innovate. We devote our time and resources to developing precisely the types of tools we need for each pursuit.

There's no one gun fits all mindset here.

It's why we've created **Taurus Hunt**—an expertly crafted, uniquely diverse collection of hunting firearms designed to maximize your lethality in the field.

Taurus Hunt firearms are perfected for the situations and environments that serious hunters like us find ourselves in. It's this stringent attention to detail that inspired American Hunter magazine to name the Taurus Raging Hunter™ its 2019 "Hunting Handgun of the Year." And it's why we continue to deliver game-changing, hunting-centric firearms that deliver the best performance, reliability and value in their class.

Although **Taurus Hunt** offers an ultra-modern take on the traditional hunting firearm, this collection's DNA harkens back to the days when hunting wasn't just a lifestyle. It was our lifeblood.

Welcome to **Taurus Hunt**.
