Description

Made for the very serious business of self-preservation – the 605 is built to the Taurus Zero Tolerance standard – in design, fabrication, fit and performance. Meaning there is simply no tolerance for parts that do not perform as if someone's life depends on them. Using the powerful .357 Magnum ammo – this quick-draw revolver has plenty of muscle to back it up. Features include fixed sights, crisp single-double action trigger and a transfer bar for added safety.
