Description

Take the key features of our Taurus 92 series pistol and wrap them into a package that is 20% smaller and 20% lighter and you have the essence of what these medium frame pistols are all about. Engineered with Taurus' drop hammer forged steel slide and forged ordnance grade alloy frame with three-position frame-mounted ambidextrous safety that allows for a classic SA "cocked-and-locked" mode, as well as functioning as a DA decocking lever. Available in a variety of models in the popular .40 caliber or 9mm, Taurus' models 909, 911 and 940 offer big firepower in a size that's just right for a variety of carry needs.
