### Description

The ultra-compact 94 and 941 give you your choice of either .22 LR with a nine-round cylinder or the .22 Magnum with an eight round cylinder. We'll repeat that, 8 or 9 shots. This impressive innovation has become a favorite of shooters, writers and editors everywhere, as both the 94 and 941 feature single/double action triggers, adjustable sights and an extended ejector rod for faster reloading. Consider one for your nightstand, tackle box, or for endless plinking in the summer. 2-inch Ultra-Lite® models are also available.
