Description

Meet the fastest six-guns from the Pampas. The Taurus Gaucha " Revolvers may look like heirlooms on the outside, but they're brand-spanking new on the inside, featuring an integral transfer bar and the Taurus Security System along with the original "Four Click" cocking action and traditional fixed sights. An easy-remove cylinder and a half-cock notch make for speedy reloads. Remarkably fast, incredibly accurate and 100% realistic – the Gaucha Revolvers are a must-have for Cowboy Action shooters. Approved for all S.A.S.S. competitions.
