Description

Developed through direct feedback from Special Forces teams stationed around the world, the new Taurus 24/7 OSS" is one of the most advanced firearms in the history of pistol making. Built to meet and/or exceed all requirements laid down by USSOCOM (United States Special Operations Command) for its new sidearm, this extreme duty pistol offers unprecedented reliability, durability, accuracy and ergonomic functionality. Capable of firing thousands of failure-free rounds in virtually any environment, whether it be jungle humidity and mud, desert heat and sand, or arctic cold and ice, we packed the 24/7 OSS with features that real-world professionals were asking for. Bad guys beware—here comes the 24/7 OSS in .45 ACP, .40 cal. and 9mm.
