Description

What a name! It's based on the fact that many judges are now carrying it into the courtroom with them—and for good reason. We know of no better self-defense firearm. Whether loading all 45s—all .410s or alternating them in the cylinder, the Judge is the ultimate shotgun/revolver duo. New for 2008, we're giving you the Judge in Ultra-Lite forged alloy. You'll be amazed how light this gun is and how easy it is to tote around. Also new is the Judge 3" Magnum. Larger and more powerful, this Judge gives you the extra firepower you need when you have to lay down the law.
