Description

Our best selling compact 9mm and 40 cal 24/7s needed to be rounded out with the .45 ACP—and here it is. The 24/7 Compact in .45 ACP packs a big punch in a mighty small package—we're so proud of its design we're betting it becomes the best selling compact in company history! Just like its cousins this little gun is a best buy in its size—with the venerable .45 ACP in the magazine.
