Description

Make way for the lightest Taurus ever created! The 10.2-ounce 738 TCP is not only the lightest semi-auto in the Taurus line; it's lighter than any of our small frame revolvers too! The 738 TCP offers 6+1 shots of .380 ACP, a durable polymer frame and low-profile fixed sights. You have to feel it to believe it! Note: Not all models have spare case and magazine included
