MESSAGE FROM THE PRESIDENT

When you enter the lobby of our U.S. headquarters and manufacturing facility in Bainbridge, Georgia, a custom mural painted by renowned celebrity artist Joe Everson immediately greets you.

The mural depicts a massive, brightly colored bull with its back arched, head lowered, charging aggressively toward the outside world. Everson captures the sheer brute force of this majestic animal, and in essence, encapsulates our culture here at Taurus.

We will always move forward.

We have amassed the technology, the expertise and the passion to not only deliver world-class engineering and innovation but to continually provide our consumers with safe, reliable, feature-driven options for their self-defense, hunting, recreational and competitive shooting needs.

All backed by our Limited Lifetime Warranty.

Beyond our stringent focus on quality control, we are firmly dedicated to improving the overall Taurus experience for our valued dealers and consumers alike. From our groundbreaking product design to our superior, industry-leading customer service to our unwavering commitment to continual improvement, we strive to exceed your expectations at every turn. As a trusted global manufacturer within the fiercely competitive U.S. firearms industry, we've taken product innovation to entirely unprecedented levels—consistently bringing unique, performance-driven firearms to market at exceptionally affordable price points.

The growing number of industry accolades and awards we've received serve to underscore our relentless commitment to manufacturing excellence. They also confirm that our vision successfully aligns with the ever-changing demands of consumers across the country.

The TaurusTX™ 22, for example, was named the 2019 Guns & Ammo Handgun of the Year. Engineered to deliver best-in-class accuracy and reliability, this award-winning 22LR pistol is now available in several upgraded iterations including the optics-ready TaurusTX™ 22 Competition and the all-new TaurusTX™ 22 Competition SCR (Steel Challenge Ready)—a modified, match grade target pistol built specifically for rimfire steel challenge competitions.

The palm-sized Taurus® GX4 micro-compact 9mm pistol recently earned the Best New Handgun and the Best New Overall Product for 2021 at the National Association of Sporting Goods Wholesalers (NASGW) Expo & Annual Meeting.

This much-anticipated addition to our popular G-Series has paved the way for several new models in 2022, including the Taurus® GX4 TORO—an optics-ready version of the original designed to accommodate the latest micro-sized red dot sight technology. The all-new Taurus® G3x is truly a game-changing hybrid 9mm pistol configuration that features a compact slide and full-size grip.

We're also extremely excited to introduce several versatile additions to our full line of revolvers including the Taurus® 327 and the Taurus® Defender 605. Ideal for the everyday carry lifestyle, both revolvers bring the accuracy, power and reliability you've come to expect from Taurus.

As our family continues to grow, so does our commitment to you. We will always look for innovative solutions to our consumers' most challenging problems. We will always concentrate on doing things better. And just like that majestic charging bull in our lobby, we will always move forward.

It's what drives us to be the very best.

Bret Vorhees | Taurus USA President and CEO

TAURUS GX4™

Item No:
1-GX4M931

MICRO-COMPACT 9MM | 18.5 OZ. | 3" BARREL | 11 ROUNDS

A LEVEL OF
DISTINCTION
ALL ITS OWN.

With the introduction of our first-ever micro-compact 9mm, the all-new Taurus GX4™ boldly outclasses anything else in its class—reaching unprecedented new heights in concealed carry firearm engineering, ergonomics and innovation. On the outside, there can be no doubt that every streamlined inch of this rugged striker-fired semi-auto was meticulously crafted for EDC readiness and reliability. While a game-altering combination of full-sized capacity, accuracy and power resides within its ultra-concealable one-inch-wide reinforced frame. The exceptionally affordable Taurus GX4™ is backed by our Limited Lifetime Warranty and industry leading customer service for added peace of mind when it matters the most.

G3x

HYBRID INNOVATION IS NOW WITHIN REACH.

Introducing the Taurus® G3x—an all-new hybrid 9mm pistol configuration that strikes the perfect balance of power and performance. Its full-size grip ensures better purchase, control and retention while its compact slide brings improved concealment and comfort to the everyday carry lifestyle. In addition, the G3x features a refined six-pound trigger that provides a crisp, clean break and short reset for quick, controlled follow-up shots.

EVERYDAY CARRY. ELEVATED.

Introducing the Taurus® G3XL—an all-new hybrid 9mm configuration painstakingly engineered to reach new heights in personal defense. Its full-size slide and 4-inch barrel contribute to longer sight radius, higher velocity and improved accuracy. While its compact, carry friendly grip aids in overall firearm concealment and comfort. The G3XL is purpose built without a manual safety to ensure a quick draw and fire under duress. A refined 6-pound trigger provides a crisp, clean break and short reset for quick, controlled follow-up shots.

COMPETITION PRIMED. COMPETITIVELY PRICED.

Meet the all-new TaurusTX™ 22 Competition—a factory-tuned mod of our award-winning polymer sporting pistol. Designed to shatter records without breaking the bank, this semi-auto rimfire is painstakingly re-engineered to meet the rigorous performance demands of today's budget-savvy competitive shooters. With four available mounting patterns, the upgraded, optics-ready 5" Bull Barrel brings match-grade accuracy and versatility to any shooting discipline. Additionally, the barrel-mounted optic delivers optimal accuracy versus slide-mounted options and keeps your red dot lens clear of any gases or debris.

TAURUS™ TX 22 COMPETITION *SCR*

WINNING IS EVERYTHING.

The all-new TaurusTX™ 22 Competition SCR (Steel Challenge Ready) target pistol takes the thrill of competition to entirely unprecedented levels. This custom mod of the original 22LR competition model features world-class ergonomics and is purpose-built for shooters participating in rimfire steel challenge competitions.

UPGRADE YOUR COMPETITIVE EDGE WITH THESE CUSTOM FEATURES:

Target Sights

Feature a fully adjustable rear sight and white dot front sight.

Exclusive Taurus Optic Ready Option (TORO)

Provides a unique, barrel-mounted red dot optic solution that greatly improves accuracy versus firearms with slide-mounted optics.

Custom Bull Barrel

Absorbs vibrations and heat for improved accuracy throughout the match.

Custom Feed Ramp

Features a high polish to improve feeding and reliability.

TANDEMROSS Game Changer Pro Squared Compensator

Adds weight for better balance and accuracy while redirecting propellant gases to counter recoil and unwanted muzzle rise. Vents gases at dual 45-degree angles for better visibility and control as well as keeps the red dot lens clear of any gases or debris.

TANDEMROSS Eagle's Talon Extractor

This custom extractor is made from the finest, hardened steel for extreme toughness and extended life. Ideal for competitors who shoot high round counts.

Custom Ejection Port

Slide features a large ejection port to prevent any empty shell ejection issues.

G2s

YOUR CHOICE FOR PERSONAL PROTECTION

The single-stack Taurus G2s series pushes subcompact pistol boundaries to the limit with its unprecedented design advances and full-feature performance. All without compromising comfort, effectiveness or operational efficiency.

The Taurus® TH series of hammer-fired pistols. Well-equipped, ultra-dependable and chambered in 9mm Luger or 40 S&W, the TH series is a modern reinvention of the classic hammer-fired SA/DA semi-auto platform. Available in both full-size and compact models, the TH series is built on a polymer frame that boasts finger grooves along the grip, generous stippling panels and interchangeable backstraps (full-size only) for a custom fit.
