Description

Little brother of the 800 Series, these new pistols were born to perform. They give everything you could want in a 3.5" barrel semi-auto—the best in features, handling, speed and reliability. We just can't deny that these compacts are going to shake up the shooting world. If you're looking for topend performance in a smaller size, the 800 Compacts are the pistols for you. Available in 9mm, .357 SIG and .40 cal.
